Blood Purifier and Blood Pills.

DR. GOBACK'S

WHEN DR. ROBACK, the celebrated Swedish W Physician, introduced his Blood Purifier and Blood Pills in the United States, he set forth in plain language their curative properties. This was years ago. The task of recommending them has since been taken out of his hands. Enlightened men whose character for sound judgment and philosophy gives their opinions weight in the community, men who observe, reflect, and make "assurance doubly sure" before they decide—are everywhere approving and arging the use of these wonderful Preparations. All who confide in the wisdom and honesty of this class, or who choose to investigate for themselves are now of one mind on this important subject.
